**14. Whether institutional data submitted to AISHE**

Year	Date of Submission
2024	16/02/2024

**15. Multidisciplinary / interdisciplinary**

Diphu Government College is affiliated to Assam University, Silchar. Assam University has not yet introduced the NEP 2020. As such, the college is still running the courses under the existing Choice Based Credit System. So far as the basic tenets of the NEP 2020 is concerned, the institute is already on the path of welcoming the approach undertaken by the Ministry of Human Resource Development (MHRD), Govt. of India, which is reflected in certain measures which are in practice. The Environmental education, for instance, is being pursued mandatorily by students across all streams in their undergraduate level with the title "Foundation Course in Environmental Studies" which provide a multidisciplinary platform for the students alongwith value addition to their core discipline.

**16. Academic bank of credits (ABC):**

As Diphu Government College is an affiliated college to Assam University, Silchar, at present it is not registered in Academic Bank of Credits (ABC). However, the college is eager to register in ABC which is of immense importance for the students. In view of the introduction of ABC, the College can develop the necessary infrastructural facilities. As and when the Assam University registers under the ABC to permit its learners to avail the benefit of multiple entries and exit during any programme, the students of the College will also be able to avail of the benefits of the Scheme.

**17. Skill development:**

Skill development has been one of the thrust area of the college. The existing CBCS syllabus gives the scope to enhance the skill of the students in their respective subject areas through the mandatory Skill Enhancement Course (SEC). The celebrations of various events and festivals, the Institution initiates various programmes which inculcate and foster the values of universal brotherhood, national integration, communal harmony and personality development.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The college has been trying its best to integrate Indian Knowledge system as part of the holistic development of the students. Teaching is carried out mostly in bilingual manner with Assamese and English. Lectures are given by the faculty members in both the languages and in evaluation of examination answer scripts same procedure is followed. Teachers also use the Hindi language to convey and talk to students apart from the native Assamese language. The college offers students Assamese, Bodo as subjects in UG courses. The syllabus in Assamese, Bodo, English, Economics, Education, Philosophy and Political Science is laced with topics dealing with indian culture and tradition. In line with the International Yoga Day, the college also organizes it in a befitting manner encompassing all the faculties and students which is celebrated with active association with Art of Living Kendra, Diphu. Each year, cultural events and rallies are organised during Annual College Week function where various Indian culture, tradition and knowledge system are nicely showcased with active participation of students. The participation of students across various cultural/religious/ethnic backgrounds promote the preservation of traditional art and culture and give the opportunity for intercultural mingling and assimilation. The magazines published by the different departments, the college students union and other forums has articles in Assamese, Bodo, English, Hindi, Hmar, Karbi, etc. The Institution as a part of its best practice promotes regular plantation in the College premise and takes necessary measures to preserve and protect the greenery. The Institution throughout the year celebrates national/international events and popular festivals with the active participation of the students and the teaching community. The programmes undertaken to celebrate such events give the appropriate platform to the students to showcase their talents and explore their hidden potentialities.

**19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Diphu Government College has always emphasized on outcome based learning for an effective teaching learning process in accordance with the vision laid in NEP 2020. The course outcomes (COs) for all courses and programme outcomes (POs) are well structured. The evaluation of attainment of COs and POs are a continuous practice and towards this end a formative approach is practiced in the college. Teachers conduct various quizzes, discussions and class interactions to evaluate the COs attainment so that the class teachings are fruitful. This method displays the attainment of knowledge and skills from their performance in the semester examinations and supporting activities such as seminars,

assignments, case study, group discussion, online quiz, mini project etc. These provide strong evidence to the teachers of effectiveness of teaching and learning. The overall stress is on a continuous monitoring so that the graduate attributes of grasping the domain knowledge in the relevant discipline, capability of analyzing problems and identifying complex problems using the knowledge acquired defining solutions for complex problems are appropriately acquired.

## **20.Distance education/online education:**

Diphu Government College is the venue for Indira Gandhi National Open University (IGNOU) and Krishna Kanta Handique State Open University (KKHSOU). The necessary infrastructural facilities along with required faculties and office staff of these two centres are provided by the institution for smooth functioning. Involvement of resource persons from the college facilitate the smooth academic functioning of IGNOU and KKHSOU centres. A whole gamut of UG, PG as well as certificate/diploma courses are being run by IGNOU and KKHSOU for the students who are unable to pursue in-campus university courses due to family obligations and financial constraints. However, the college does not run any distance learning UG course as the affiliating University is yet to launch education through distant mode. Interested students from different walks of life and even employed persons who otherwise cannot go through in-campus regular courses under Assam University due to financial constraints and other obligations can easily participate in courses of their choice and requirement in distance learning mode at an affordable fee. During the period of COVID-19 outburst, repeated lockdown severely affected the teaching learning environment of the College. But this period has opened a new dimension to our conventional mode of teaching by introducing the technology and platform of online classes through Google Meet, Google Classroom, Zoom, Cisco Webex, You Tube, etc. Imparting online classes resulted in the recovery of academic loss suffered by the students to some extent and gave them the opportunity to interact with the teachers in virtual mode. Keeping this in view, a blended teaching model was devised in which offline and online - both modes of imparting classes were simultaneously practised to reach out to all students.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Diphu Government College held examinations whether unit test or session end test as per the guidelines and order of its affiliating university. Students' internal assessment was done through unit test and attendance in each semester. Two unit tests were held in each semester having 20/14 marks for each and attendance is calculated from each semester having 10/6 marks. The college follows a transparent policy in case of internal assessment. Prior notification was given regarding holding of unit test in the departmental notice board and some departments shared in the concerned whatsapp group. Attendance was taken from those who appeared in the test. After declaration of results, students who had grievances visited the department and discussed their problems. These unit test and attendance marks were sent to the university as and when asked for. This is confidentially treated as these are added to the final examination marks. If students have any examination related grievances they can approach the concerned department faculties or if necessary then they can discuss with the head of the department.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The continuous evaluation of students is carried out by the college through unit tests, class attendance, assignments, seminars etc. as per the guidelines of the affiliating university. The Examination Cell of the college carries out the task of conducting the internal assessment and uploading the results of the same in the university portal. The students are informed to check their marks by logging in to their respective student portal. Queries of students, if any, are discussed by the faculty members, HODs, and the Examination Cell attentively. The Examination Cell cooperates in all such activities with the respective departments for quick action. The Examination Cell helps students with their grievances and queries related to results, correction of internal examination marks, practical marks, laboratory activities, project-related works, etc., and other academic matters. Matters requiring further attention are forwarded to the Controller of Examination of the affiliating university. The Examination Cell gives special attention to grievances related to receipt of marksheets and certificates

from the university. Every effort is made to deal with the examination related grievances in a transparent, time-bound and efficient manner.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Teaching, learning and evaluation is a continuous process covering the entire course of study. A variety of parameters determine the evaluation of the attainment of programme outcomes and course outcomes. Attendance is one such important parameter which carries 10% marks in internal assessment. Students are required to maintain a minimum of 75% attendance in each paper of their courses. Regular tests and assessments are held to enhance the student's knowledge of subjects. The internal Assessment and Semester End assessment are designed on the basis of PO, PSO & CO's defined for each course. The laboratory works determine the assessment of practical skill of the learners. Further evaluation of the outcomes achieved by the students is monitored through project works and seminars.

**3.3 - Extension Activities**

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Diphu Government College as a pioneer and leading institution of the sixth schedule area of Assam is always trying to organize activities to sensitize students about socially related issues and challenges. Most of the students along with NSS and NCC cadets were involved in the socially relevant activities during the past years. In the issues of health and hygiene, child labour, girls education, superstition in the remote areas, the students are always trying to motivate and to reform their localities. NSS unit arranged the awareness programs on child marriage at adopted village. Communal harmony week was also observed by the NSS volunteers and teachers of the college. NCC unit is playing a significant role by arranging blood donation camp and programs on cleaning of water bodies in Diphu. Cadets are attending regularly

the CATC camps and performed programs on local folk culture and tradition of different tribes and communities of the region. NCC is arranging swachh bharat abhiyan programs time to time in the college compound. NCC troop participated in parades during independence day and republic day celebration organized by Karbi Anglong district administration. International yoga day was also observed with participation of students, teachers, employees etc of the institution.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Creating an environment that is conducive to learning is essential for students to reach their full potential academically. Factors such as classroom layout, resources, and teacher-student interactions all play a vital role in shaping the learning experience. By ensuring that students have access to appropriate learning settings, the college has fostered a positive and productive learning physical environment. The college places a high priority on having a sufficient number of classrooms- thirty (30) in total. Having enough classrooms can have a significant impact on the quality of education, otherwise it'll lead to decreased academic performance. The students have access to a good number of laboratories- six (06) in total-so they can have a hands-on experiment. Through practical experimentation, laboratories are essential for improving students' comprehension of scientific ideas. These spaces provide a practical learning environment where students can practice important skills and apply their theoretical knowledge. Having access to well-equipped laboratories can greatly help students in their academic and future professional endeavours. To thrive academically in the modern digital age, pupils need to have access to computers and other technologies.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Apart from the cultural activities held by the college, students also participate in the Karbi Youth Festival. Students are always encouraged to participate in cultural activities and programmes. Aside from the basketball court in the back of the building, every kind of sports fan gathers on the field in front of the college's football field and on the cricket pitch. Students engage in major and minor games. NCC drills and march-past are also held on the field. This flexible space attracts teachers and students alike by acting as the hub for various athletic competitions and events. Sports fans can gather on the field, which is a light-filled and lively space, and enjoy their favourite games, whether they are friendly or competitive. Even while the institution may not have a dedicated yoga centre on campus, students are nevertheless able to participate in occasional yoga activities, including those offered on International Yoga Day. Through these programs, students can learn about and practice yoga, which improves their mental and physical well-being. Even in the absence of a permanent facility, the college's yoga sessions are a valuable resource for students who want to incorporate mindfulness and relaxation into their daily routines.

**INSTITUTIONAL VALUES AND BEST PRACTICES**
**7.1 - Institutional Values and Social Responsibilities**
**7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year**

Since its establishment in 1964, Diphu Government College (DGC), a co-educational institute, has been imparting higher education to the socio-economically backward tribal women and other communities in the two hill districts of Assam (East & West Karbi Anglong) without any kind of gender biases and discrimination.

Women Grievances Redressal and Welfare Cell DCG Unit, was established in 2017 to address any act of injustice or harassment towards any female members of the college and to resolve these challenges amicably.

DGC observes International Women's Day on 8th March every year as an acknowledgement of the invaluable contribution made by women in the college through their respective duties. This special day is marked by organizing talks and various competitions culminating in cultural programmes.

For promotion of gender equity in the campus, both male and female teachers are given equal responsibilities in all the committees formed for various curricular and co-curricular activities. Further, to drive home the message of gender equity, female students are encouraged to contest in all the categories in the College Student Union Election.

The Girls' Common Room Secretary and the Teacher-in-Charge work hand-in-hand to address the safety concerns of the female students.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

For the effective management of different types of waste (both dry & wet), DGC undertakes certain initiatives in collaboration with the third parties. The College maintains a clean and green campus providing fresh and positive working and teaching-learning atmosphere. Cleanliness Signposts are put up at various prominent points in the campus. Cleanliness drives are carried out regularly; during such drives the students, non-teaching/teaching staff sweeps the entire college premises. Furthermore, all the invaluable flora and fauna in the campus have been identified and counted to arouse interest in the ecological landscape of the campus.

Solid and liquid waste management: To tackle the issues of solid and liquid waste management DCG has signed a Memorandum of

Understanding (MoU) with the office of the Diphu Municipal Board (DMB). The DMC collects both solid and liquid waste on regular basis; this service is also extended to the three College Hostels, College Canteen and Staff quarters. Littering of plastic bags/wrappers, empty water bottles/cans, papers etc. in and around the campus is checked by placing dustbins at strategic locations.

**E-waste management:** To clear off E-waste, DGC has signed MoU with a third party.
