Report of Awareness Programme on HIV/AIDS

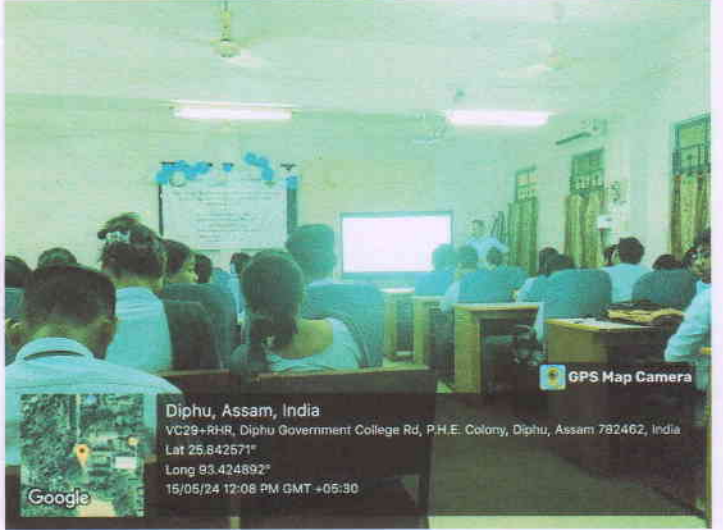

Today on 15th May 2024 an orientation cum sensitization programme on “HIV/AIDS Awareness and Risk Behaviour Among College Students of Central Assam: A Cross Sectional Study” was organized by IQAC, Diphu Government College, Diphu in collaboration with Department of Community Medicine, Diphu Medical College and Hospital, Diphu. The programme was conducted in the Conference Hall of Diphu Government College, Diphu with huge gathering of Teachers and Students. Prof. M.H. Barbhuiya, Principal i/c Diphu Governemnt College, Diphu Chaired the occasion and Dr. Hiranya Saikia, Co-ordinator, IQAC, DGC explained the objective of the programme.

Three resource persons Dr. Giridhar Pathak, Associate Professor, Department of Community Medicine, Diphu Medical College, Dr. Hitesh Deka, Assistant Professor, Department of Community Medicine, Diphu Medical College and Dr. Amit Das, Medical Social Worker, Department of Community Medicine, Diphu Medical College enlightened the students with their expertise and depth knowledge on the subject. Dr. Giridhar Pathak highlighted the way of spreading of HIV/AIDS, symptoms, consequences and its severity. He also pointed out the remedies for the same. The second resource person Dr. Hitesh Deka emphasise on the importance of the NACP and its outcome. The third resource person Dr. Amit Das focused on the social stigma and taboo on HIV/AIDS infected person and their sufferings in their society.

Overall, the students came to know many aspects of HIV/AIDS which is really a need of the hour. Finally the programme ended with a cordial note.
