

## MEMORANDUM OF UNDERSTANDING (MOU)

The Diphu Government College has been recognized as the premiere educational institution of this hill district of Karbi Anglong under Sixth Schedule area of the Constitution of India. With an average number of students around 5,500 and teaching and non-teaching staff members of more than 200, having been accommodated with 15 departments from three streams –Arts, Science and Commerce. In order to carry out the regular operations the College produces a limited quantity of e-waste materials. Since, there is no proper disposal facility of e-wastes in the college; the undersigned has decided to take the help of third party for managing the e-waste of all kinds by making a Memorandum of Understanding (MOU) with the **Digit Software Consultancy, Diphu** as a process of e-waste management.

As a responsible agency, the Digit Software Consultancy, Diphu is interested to provide e-waste management services to the various organizations. In this connection the agency is pleased to enter into the MOU with Diphu Government College to manage the e-wastes generated within the College offices.

This comprehensive memorandum of understanding (MOU) is said to span for a period of five years commencing from 01/06/2019 to 31/05/2024. This memorandum of understanding (MOU) is a collective endeavor of responsible agencies for promoting the utilization of scientific, Eco-friendly and sustainable e-waste management.
